Lesson One - Infant Skin Conditions

FOCUS: Infant Skin Conditions – What Do You Know?

5-10 minutes

Purpose:

To help students self-assess their prior knowledge of infant skin conditions.

Materials:

- *Infant Skin Conditions Pre-Test*
- *Infant Skin Conditions Pre-Test Answer Key*
- Access to online videos on infant skin conditions

Facilitation Steps:

1. Distribute the *Infant Skin Conditions Pre-Test* prior to or at the start of the class.
2. Have students complete the short pre-test and collect it.
3. Have students view a short video on infant skin care or infant skin conditions to introduce the topic. Here are a few examples but it is highly recommended to conduct your own search to find the most appropriate video for your needs.
